

“I have been on the verge
of being an angel all my life,
but it’s never happened yet.”

– *Mark Twain*

THE ORANGE SHOW CENTER *for* VISIONARY ART

For over twenty-nine years the Orange Show Center for Visionary Art has worked to preserve hand-made environments and traditions in our community and provide opportunities for the expression of personal artistic vision for children and adults throughout the city. From this mission sprang the world's oldest biggest and best Art Car Parade, the restoration and opening of The Beer Can House and the landmark that started it all, the world-renowned and now listed on the National Register of Historic Places, The Orange Show. Our community murals, award-winning educational programs, EyeOpeners Tours and concert series continue to honor the creative spirit by celebrating the artist in everyone and making Houston a more interesting, lively and exciting place to live.
