

THE ORANGE SHOW CENTER FOR VISIONARY ART

Orange Show Monument Sponsorship Opportunities

The Orange Show Monument has been a memorable venue for some of Houston’s best and most eclectic cultural performances for the past 34 years, with a rich history of hosting concerts, performance art and other one-of-a-kind happenings from nationally and internationally recognized artists and performers on a regular basis.

Each year, the Orange Show presents a Fall & Spring Performance Series and draws a diverse group of art supporters looking for the most innovative entertainment opportunities.

SPONSORSHIPS

The Orange Show Center of Visionary Art can only continue its incredible original high-spirited programming with the support of leaders in the community. We have many opportunities to sponsor programs that will allow your business to perform a valuable community service while gaining exposure to our active, involved patrons. Sponsorships may include a cash investment or a donation of goods or services, and are designed individually to meet the needs of businesses as well as our unique programming goal of celebrating the artist in everyone!
